

St. Louis Umpires,

February is the month we starting rolling! There are still 4 Weeks of  
“Early Registration” for ASA Umpires – Beat The Deadline – Register Today!

There are two ASA clinics planned – one slow pitch, and the large “Metro Fast Pitch Clinic.”

The Slow Pitch Umpire Clinic will be at the Soulard Market Building – 2<sup>nd</sup> Floor Gym (730 Carroll Street, St. Louis, MO 63104). If you plan to umpire slow pitch this year, please try to make at least one of the remaining four slow pitch clinics. Please arrive at least 20 minutes early to register and sign in.

- February 16, sign-ins at 8:30 AM. Open To ALL Slow Pitch Umpires.
- This clinic will focus on the needs of the beginner slow pitch umpire!
- Veterans, please attend the Metro Slow Pitch Clinic March 16<sup>th</sup> at Fontbonne University.

Dress for the Soulard SP clinics is casual/comfortable – no need to wear your uniform! However, both of the “Metro ASA Clinics” Umpires should dress in their best uniform!

The St. Louis ASA Metro Fast Pitch Umpire Clinic will be at Fontbonne University – February 17<sup>th</sup>. You can view the campus map by going here:

Attached is the Metro Fast Pitch Clinic Agenda. **Please review it carefully to determine when you should arrive as it is not the same for everyone.** There is a \$10.00 Clinic Registration ~ which can be paid the day of the clinic. We will be offering lunch to all umpires with paid clinic registration. I would like to see every St. Louis ASA Fast Pitch Umpire attend this clinic! If you can attend – please make every effort to be there! That said, I do understand if you must miss, but it is my hope to see everyone sometime before the season begins. I will have ASA Uniform items available for sale at this clinic. If you have uniform needs, you can help your umpire association by making your purchases through the association instead of purchasing them through the national office.

**PARKING INFORMATION:** Fontbonne University ~ **Dunham Student Activity Center (AM) & Library (PM):**

There are several parking spaces available at the South East Corner of the campus. From 614 South Big Bend Boulevard, Clayton, Missouri, take the student parking entrance just south of the Southmoor Dr. intersection and enter the campus. Go toward the back of the campus to a large student parking lot. There should be several spaces just south of the Dunham Student Center. There will also be several spaces available around the library.

Looking ahead ~ In March, we will have some more clinics for umpires. Slow pitch clinics will be held at the Soulard Market Building on March 2<sup>nd</sup> & 9<sup>th</sup> & at Forest Park – Aviation Fields on March 23<sup>rd</sup>.

The St. Louis ASA Metro Softball Umpire's Association has updated our website. Please visit: [www.StLMSUA.com](http://www.StLMSUA.com). It is still a work in progress, but I would encourage you to look through it at your leisure. Currently, you can find staff contacts, a calendar (which will be updated frequently), a page full of various forms (**Updated: Now You Can Type / Save / Email**), along with a few pages honoring those umpires who are going the extra distance. Please take a look, and if you have suggestions for the website that you feel will make it better, please let me know! **At your convenience, please print out and complete either the FP or SP League Availability Form from the website and either mail it to me, or turn it in at one of the clinics!**

Sincerely,

Greg Pohl: Metro St. Louis Umpire-In-Chief
